FOR IMMEDIATE RELEASE

Date: November 2, 2016

(CPD #16-41229-AC)

(CONCORD, NH) – On October 31, 2016 at approximately 7:30 P.M., Concord Police officers responded to the area of 197 Loudon Road for a report of a pedestrian that was struck by a motor vehicle. Upon arrival officers learned that a pick-up truck had been travelling west on Loudon Road when it struck a person in the roadway. The operator of the truck, identified as

Marianne Sharpe (Age 66)
Contoocook, NH

immediately stopped the truck and awaited the arrival of emergency services. The pedestrian, identified as,

Yvonne Burroughs (Age 83)
Concord, NH

was conscious and speaking when officers arrived and later transported by the Concord Fire Department to Concord Hospital with multiple injuries to her head and body.

Initial indications are that at the time of the collision Yvonne was crossing Loudon Road and was not in a pedestrian crosswalk nor was there any crosswalk/traffic signal in the area. Although the investigation is still ongoing, police do not believe that alcohol and/or drugs played a role in the accident.

Yesterday Concord Police were informed that Yvonne's condition had declined as a result of injuries sustained from the accident. Early this morning the Department was notified that Yvonne had passed away as a result of those injuries.

The Concord Police are still actively investigating this accident. We ask that if any person witnessed the accident or has information about it to please contact Officer Christian Lovejoy or Detective Mike Cassidy at 603-225-8600.
