FOR IMMEDIATE RELEASE

Date: November 4, 2016

(CPD #16-41752-AC)

CONCORD, NH – The Concord Police Department is asking motorists to avoid the intersection of Interstate 393, Bouton St. and North Main St. throughout the weekend. This is due to a motor vehicle collision that occurred on November 4, 2016 at approximately 1:14 PM. A single vehicle struck the traffic signal control cabinet, causing damage and making the lights at the intersection inoperable. There will be a change to the usual traffic pattern of the intersection and operators are being asked to follow all detour signage in the area.

A media release will be sent out when the traffic lights become operable.

The motor vehicle collision remains under investigation. There will be no further information released regarding this investigation.
