December 19, 2014

### HOLIDAY TRASH & RECYCLING COLLECTION SCHEDULE

Curbside trash and recycling collection for Christmas week will run as follows:

- Monday, Tuesday, and Wednesday's routes will run on schedule;
- Thursday's route will be collected on Friday; and
- Friday's route will be collected on Saturday.

The Recycling & Transfer Station will be closing at noon on Wednesday, December 24th; will be closed on Christmas Day; and will re-open at 8:00 AM on Friday, December 26th.

### FALL LEAF COLLECTION CONTINUES

Highway and Utilities crews of the General Services Department have successfully completed an additional week of fall leaf collection. The milder weather conditions have allowed crews to remove leaves with loaders from areas not yet collected. Please visit [www.concordnh.gov/leafcollection](http://www.concordnh.gov/leafcollection) to see where leaf collection efforts are continuing to take place. We appreciate the public's cooperation in avoiding on-street parking in these areas next week, as crews continue to complete operations. You can also view our [on-line map](#) to see where leaf collection has been completed.

### PLEASE KEEP OFF THE ICE

The Parks & Recreation Department would like to remind everyone that, despite the recent cold temperatures, the ice on our skating ponds is still too thin to skate on. Please be safe and stay off any iced surfaces, especially rivers and ponds, until the ice thickness is 4-5 inches thick. Parks staff will remove the "Keep Off" signs at White Park and Beaver Meadow Golf Course once the ice is safe to skate on. We will also post skating and cross country ski conditions on the Parks & Recreation Department [web site](#) and social media sites.

### BEAVER MEADOW CULVERT REPLACEMENT

J.F. Kimball Excavation has begun culvert replacement work at Beaver Meadow Golf Course. This week, the contractor finished installing an 84' long arch culvert between the 14th and 16th greens. Next week, they will begin the 21' long culvert replacement at the 12th green. Construction has progressed slowly due to inclement weather.

*In observance of  
Christmas, City offices and  
the Concord Public Library  
will be closed on  
Thursday, December 25th.*

### **PARKS & RECREATION HOLIDAY HOURS**

Holiday hours for the Concord Parks & Recreation office will be 8:00 AM to 4:30 PM, Monday, December 22nd, through Friday, January 2nd. The office will be closed on December 25th and January 1st in observance of Christmas and New Year's Day.

### **CITY EMPLOYEE FOOD DRIVE**

The Human Services Department would like to extend a big thank you to their co-workers throughout the City who contributed food, paper and hygiene products for their pantry. Many thanks to Sandi Lee (Library), who started this initiative many years ago and continues to be involved. Many thanks also to Robin Wirbal (HR); Sue Stevens (Administration); Deb Marcotte, (Fire); Dave Florence, Carol Lane and Christy Spaulding (Police); Jim Major, Mike Hanscom, Hope Hundley, and Rodney Sewall (GSD); and many others who helped organize the drive and/or make deliveries. This generosity helps many of our low-income residents and is greatly appreciated.
