Concord Announces Appointment of Sean Brown as Fire Chief

Concord, NH (February 25, 2021) – The City of Concord is proud to announce that Sean Brown has been appointed Fire Chief of the Concord Fire Department, effective February 28, 2021.

Brown has been with the Concord Fire Department since 1995, where he started as a Firefighter/EMT. In 2007, he was promoted to Fire Lieutenant. In 2011, he oversaw the Fire Prevention Bureau & Fire Alarm Division as Fire Marshal, a role he held until 2015. Brown became a Battalion Chief in 2015, leading and supervising fire, rescue, and EMS companies until he was promoted to his current role as Deputy Chief in 2018. As Deputy Chief, he has served as second in command for the department, overseeing all administrative and support services and serving as chief financial officer.

As a member of the National Urban Search & Rescue Response System through FEMA, Brown has been part of the Massachusetts Task Force 1 since 2000 and the Incident Support Team since 2010. These response teams have assisted with national disasters and national security events, providing members with valuable experience they can use in their daily professions.

“Sean has been an integral part of the Concord Fire Department for many years, and brings a wealth of knowledge and experience to this role,” said City Manager Tom Aspell. “The Fire Department has one of the most important roles in our community, and I know that Sean will lead with the same professionalism and dedication demonstrated during his career in Concord.”

“I am honored and humbled to be chosen to lead the incredible men and women of the Concord Fire Department. Through responses to fires, emergency medical calls, COVID vaccination deliveries, and many other public services, these individuals continue to demonstrate the value we provide to our community. I look forward to continuing to serve our great City as the Fire Chief,” said Brown.
