Upon termination, Service Provider shall refund to the City of Concord any profits realized under this contract, and Service Provider shall be liable to the City of Concord for any costs incurred by the City of Concord in completing the work described in this contract. At the discretion of the City of Concord, these sanctions shall also be applicable to any such conviction obtained after the expiration or completion of the contract.

Each Service Provider, by submitting its proposal, expressly: (1) recognizes the limitation on its right to protest contained herein; (2) waives all other rights and remedies; and (3) agrees that the decision on any protest, as provided herein, shall be final. These provisions are included in the Request for Proposals expressly in consideration for such waiver and agreement by the Service Providers. Such waiver and agreement by each Service Provider are also consideration to each other Service Provider for making the same waiver and agreement.

All protests shall be made by filing, in-hand, or first-class mail to the City's Purchasing Manager at 311 North State Street, Concord, New Hampshire, with the protest document received on or before 5:00pm on the date due for such protest.

A. PROTESTS REGARDING THE REQUEST FOR PROPOSALS:

Service Providers may protest the terms of the Request for Proposals on the grounds that any aspect of the procurement process described herein is contrary to legal requirements applicable to the procurement. Protests regarding the Request for Proposals shall state the grounds for the protest and shall include all factual and legal documentation to establish the merits of the protest. Protests regarding the Request for Proposals shall be filed as soon as the basis for protest is known to the Service Provider, but in no event later than fifteen (15) calendar days before the proposal due date, provided that protests regarding any Addendum shall be filed no later than five (5) business days after the Addendum is issued.

The City will distribute copies of the protest to other Service Providers, and may, in its sole discretion, request other Service Providers to submit statements or arguments regarding the protest, and may, in its sole discretion, discuss the protest with the Service Provider. No hearing will be held on the protest. The City will issue a decision and deliver it to all Service Providers. The City's decision shall be final and binding on all Service Providers. The City may correct any

error, omission or ambiguity identified in the protest and make appropriate revisions to the Request for Proposals by issuing Addenda. The failure of a Service Provider to raise a ground for a protest regarding the Request for Proposals shall preclude consideration of that ground in any protest of an award unless such ground was not and could not have been known to the Service Provider in time to protest prior to the final date for such protests. The City may extend the proposal due date, if necessary, to address any such protest issues.

B. PROTESTS REGARDING THE AWARD

Protests regarding the Notice of Award must be received by the City within seven (7) calendar days after the City's issuance of the Notice of Award. Such protest shall state the grounds for the protest and shall include all factual and legal documentation to establish the merits of the protest. The Service Provider shall concurrently file a copy of the protest with the other Service Providers.

Other Service Providers may file, by hand-delivery or first-class mail to the City's Purchasing Manager at 311 North State Street, Concord, New Hampshire 03301, statements in support of or in opposition to the protest within seven (7) calendar days of the filing of the detailed statement of protest.

All protests regarding an award shall be resolved in accordance with the City's Contract Award Protest Policy and Procedure, which may be retrieved on-line at www.concordnh.gov/Purchasing, or otherwise upon request to the City's Purchasing Manager.

The City shall issue a written decision regarding the protest within thirty (30) calendar days after the protest filing. No evidentiary hearing or oral argument shall be provided except in the sole discretion of the City. The City's decision shall be final and binding on all Service Providers.

Failure of the successful Service Provider to execute the contract and/or furnish acceptable surety bonds within ten (10) calendar days from the date mailed or otherwise delivered to the successful Service Provider shall be just cause for cancellation of the award and forfeiture of the proposal bond, not as a penalty, but as liquidation of damages to the City.

26. APPROVAL OF CONTRACT:

Upon receipt of the contract and surety bonds that have been fully executed by the selected Service Provider, the City shall complete the execution of the contract in accordance with local laws or ordinances and return a copy of the fully executed contract to the selected Service Provider. Delivery of the fully executed contract, along with a Notice to Proceed to the selected Service Provider shall constitute the City's approval of the contract with the selected Service Provider.

The contract shall become effective on the date the contract is signed by the City and the selected Service Provider ("Effective Date"). If the selected Service Provider commences any services prior to the Effective Date, all services performed by the selected Service Provider prior to the Effective Date shall be performed at the sole risk of the selected Service Provider, and in the event that the contract does not become effective, the City shall have no liability to the selected Service Provider, including without limitation, any obligation to pay the selected Service Provider for any costs incurred or services performed.

In addition to the certificate(s) of insurance, the successful Service Provider shall also provide, as required by the City, an additional insured endorsement. If the policy includes a blanket additional insured endorsement or contractual additional insured coverage, the requirement for an endorsement may be fulfilled by submitting that document along with a signed declaration page referencing the blanket endorsement or policy form. The successful Service Provider shall ensure that all insurance coverage maintained or procured pursuant to this agreement shall be endorsed, as required by the City, to waive subrogation against the City, however this waiver of subrogation requirement shall not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the successful Service Provider enter into such an agreement on a pre-loss basis. All certificates shall provide that the City be given thirty (30) days written notice prior to any change, substitution, or cancellation before the stated expiration date.

The City's examination of, or failure to request or demand, any evidence of insurance hereunder, shall not constitute a waiver of any requirement and the existence of any insurance shall not limit the Service Provider's obligation under any provision hereof.
