

THE GENERAL GAZETTE

TRASH BAG WINNERS

Five lucky winners were selected to each win a roll of Pay-As-You-Throw (PAYT) Trash Bags. Entries were chosen randomly from all of the subscribers to our three General Services [News Flash](#) topics on our website. Congratulations to our five winners and thank you to all of our 424 new subscribers for raising our total count to 1,117 subscribers.

LOUDON ROAD PAVING

Continental Paving is this year's contractor for our paving program. Cold Planing already started on Loudon Road last week from Branch Turnpike to Route 106. Traffic has been maintained to one lane with only slight traffic delays.

PAYT BAG EXPANSION

Concord General Services has been working to expand PAYT Trash Bag vendors to provide various locations for Concord residents. Rite Aid on 92 South Street became a new PAYT trash bag vendor in April and now two additional Rite Aid locations have picked up the bags. Rite Aid on 24 Fort Eddy Road and Rite Aid on 165 North State Street are both two new vendor locations. Adam Clark, Solid Waste Manager for Concord General Services, states, "We don't want people to have to drive out of their way to get trash bags; we want it to be an easy effort." We will continue to work with retailers to add trash bags to the shelves. Visit our website for a full list of [PAYT vendors](#).

PUBLIC WORKS LUNCHEON

General Services' Public Works Luncheon was a big success with catered food, an employee picture slideshow, awards, and lots of cake! It was great to have a significant amount of General Services employees come out for the event to enjoy lunch and be appreciated for all of their hard work.
