

August 19, 1965

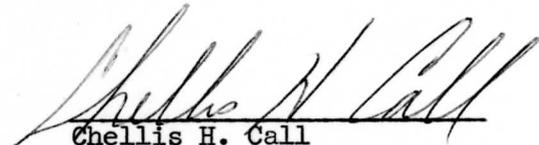

The Veterans of Foreign Wars Post No. 1631 was instituted on March 17, 1929 with George Clark as its first Commander and Mrs. Eva O'Connor served as the first president of the Auxiliary when it was organized one year later.

Through the years the organization has made many steps forward in the field of progress. They have been outstanding in their Community Service work both to the Community and the State. Youth Activities projects are of great concern to them and they do a great deal for the youth.

It's present Commander is Gerard LeBrun who is doing an outstanding job and who will go down as one of the greats in the history of the Concord Post.

The Auxiliary is in the command of Mrs. Lillian Calnan.

It is with great pleasure that the Veterans of Foreign Wars Post No. 1631 joins in this Bi-Centennial Celebration.
