PRIZE:

Three entries will be selected to win a Shower Better Bundle. A bundle includes everything needed for a luxurious water-saving shower experience, including: a water-resistant digital timer to reduce your shower time (5-10 minutes is ideal), a pail to catch shower water while waiting for it to warm (use this water for cleaning or watering plants), a bath towel, a 4-pack of wash cloths, shampoo, conditioner, body wash, shower sponge, rubber duck bath buddies, and a Moen WaterSense labeled showerhead. The chrome finish showerhead has 8 settings (oval, wide oval, oval downpour, energy, massage, intensified, relax, and pause/trickle to save water when you're not actively rinsing) while only using 1.75 gallons of water per minute!
