

My name is Elvir Zulkic and I am a candidate in this year's municipal election for Concord City Council. I am running for Ward 10 with the goal of giving citizens a voice. I decided to run for City Council to provide a fresh, new perspective and become a new generation of leader. My plan is to better serve and represent the residents of Ward 10 by creating an open dialogue of communication. A good councilor listens and works on behalf of their constituents to address thoughts, comments, concerns, and ideas.

I moved from Burlington, Vermont to Durham, New Hampshire to pursue my undergraduate studies at the University of New Hampshire. I enjoyed my time in NH and decided to become a permanent resident after successfully completing my Bachelor of Science in Medical Laboratory Science in 2013. Shortly after graduating, I landed a job at Lakes Regional General Hospital in Laconia, NH. I started working in 2013 as a Medical Technologist and was promoted in 2016 to Laboratory Supervisor. My dedication to professional development led me to continue my education for a Master's degree. In 2017, I achieved my Master of Business Administration in Healthcare Administration at Franklin Pierce University. I am a proven hard worker that would be a great addition to the Concord City Council.

Since 2014, my wife and I have been residents of Concord, New Hampshire. We previously lived in Ward 9 until purchasing a home on Hoit Road at the start of this year. Now that we are settled into the neighborhood, I hope to become a representative for my local community. I believe that for real change to happen in Concord, new voices and opinions have to be represented on the City Council. I also believe that Concord is currently facing some serious issues that need to be taken seriously, such as the Northern Pass, the drug crisis, homelessness, taxes, and political reform. I strive to listen and engage with the citizens on these issues, and any other issues of concern, to work together to build a better community.

Communicating with residents is what matters. I welcome the public to reach out to me on my official Facebook page at www.facebook.com/ezulkic or to send an email to ezulkic@outlook.com. If you are looking for a new generation of leader and a new voice, vote Elvir Zulkic for Ward 10 on November 7, 2017 in the Municipal Election for City Council.
