FOR IMMEDIATE RELEASE

Injured Mountain Biker Rescued

CONCORD, NH (April 7, 2021) – One person was injured in a mountain bike accident on the Oak Hill trails. Concord Fire Department units were dispatched to the Dancing Bear Trail at 11:45 a.m. Due to multiple simultaneous incidents, a mutual aid ambulance was dispatched from the Loudon Fire Department. Two off duty Concord firefighters utilizing the trail system happened upon the incident and started to stabilize the patient's injuries and coordinate access with responding units. Concord Fire personnel utilized the Department's off-road utility vehicle to access and transport the patient out of the woods. The Loudon Fire Department ambulance transported the patient to Concord Hospital.
