

# MEMORIAL DAY

The Cemetery staff has begun the Memorial Day preparation for 2018. We have started raking and leaf blowing the cemetery grounds as well as preparation to loam and hydro seed over eighty winter graves. Our Full time Staff of 8 plus 4 temporary positions along with the assistance from the Parks and Recreation and General Services Departments will soon team up and begin the mowing and trimming in our thirteen cemeteries to provide the beautification for our loved ones' resting places here in the City of Concord.

We have updated our Veterans Flags List to include the 4,000 Veterans that will be recognized with an American Flag flying at their grave this year. Cemetery staff has worked with the Veterans in the Concord area to supply them with lists and maps marking the lot location for each Veteran. Veteran Groups along with volunteers will be placing the American Flags in our thirteen cemeteries on May 12, 2018.

Two weeks prior to Memorial Day, Cemetery staff will begin to plant the 416 flower beds, made up of 9,000 individual plants, funds for which are provided by the Flower Trust Fund.
