

# CITY OF CONCORD

In the year of our Lord one thousand nine hundred and eighty-nine

**AN ORDINANCE** amending Chapter 5, Public Works, of the Code of Ordinances so as to change the composition of the Poles and Wires Board.

**The City of Concord ordains as follows:**

Section I: Amend the Code of Ordinances, Title I, General Code, Chapter 5, Public Works, Article 5-4, Electric Lighting, Telephone Poles, and Structures, Section 5-4-1, Telephone Poles and Wires Subject to Conditions Laid Down by Director of Public Works, City Manager, and Planning Director by deleting from said section reference to City Manager and replacing with City Engineer so that said section reads as follows:

**5-4-1 Telephone Poles and Wires Subject to Conditions Laid Down by Director of Public Works, City Engineer, and Planning Director.** No person, company, or corporation shall hereinafter erect, construct, put up, or maintain any pole, wires, terminal, or other electrical appliances for telephonic, telegraphic, electric power or electric lighting, or for any other purpose, along, across, under or over any public street without permission having first been obtained from a board composed of the Director of Public Works, City Engineer, and the Planning Director, and no such license shall be granted by said board except upon written application stating for what purpose or purposes said wire or wires are to be used; and all licenses so issued shall forever thereafter be subject to such alterations, and requirements as said board may from time to time impose, and further subject to revocation when in the judgment of said board the public interests will be best served thereby, and all poles, wires, terminal, or other electrical appliances now in the use shall be subject to the same conditions.

Section II: This ordinance shall take effect upon its passage.

In City Council  
September 11, 1989  
Passed.
